

# ONYEISI ELIJAH SOMTOCHUKWU

*I'm a dedicated software engineering student with a passion for building technology that solves real-world problems. Every day is an opportunity to learn, grow, and get closer to becoming the kind of developer who makes a difference. I believe in progress over perfection, and I'm committed to turning challenges into stepping stones on my journey to success. I'm excited to connect with like-minded individuals and explore opportunities that allow me to contribute my skills and learn from others in the tech community. Whether it's through internships, projects, or collaborations, I'm eager to apply my knowledge.*

I'm also a front web developer who specializes in web development with HTML, CSS, and JavaScript. I'm Also proficient in modern CSS frameworks like CSS and Bootstrap for creating visually appealing and responsive interfaces.
